**FASEB MARC Program Travel Award Rules for Reimbursement**

**** EFFECTIVE IMMEDIATELY: ONLY ORIGINAL RECEIPTS AND DOCUMENTS RECEIVED BY MAIL [U.S. POSTAL SERVICE (USPS), FEDERAL EXPRESS (FedEx), UNITED PARCEL SERVICE (UPS), OR SIMILAR SERVICE] WILL BE ACCEPTED FOR PROCESSING REIMBURSEMENTS. FAXED, E-MAILED, COPIED OR SCANNED DOCUMENTS SENT TO THE FASEB MARC PROGRAM OFFICE WILL NOT BE PROCESSED. ****

1. **REIMBURSEMENT AMOUNT:** Unless otherwise stated, the maximum reimbursement amount is **$1,850** for each faculty/mentor, postdoctoral fellow and/or student to help defray travel costs associated with conference attendance and participation. (For Regional Meetings, the maximum reimbursement amount is **$1,000**.) These funds are meant to **defray** the expenses for lodging, air, ground transportation, and meeting registration. Original receipts will be required to receive reimbursement. FASEB MARC Travel Awards are not provided to support the staffing for exhibit booths at the conferences and meetings.

2. **PRO-RATED TRAVEL EXPENSE REIMBURSEMENTS:** Effective immediately, travel award reimbursements will be reimbursed on a **pro-rated basis** if a FASEB MARC travel award recipient does not attend the meeting for the full length of the meeting. For instance, if the official days of a meeting are 5 days in duration and a travel award recipient only attends the meeting for 2 days, his/her travel award will be reimbursed on a pro-rated basis. The pro-rated basis will be equivalent to the maximum travel award amount (e.g., $1,850) divided by the number of days he/she participated in the meeting (in this instance, 2 days). In this scenario, the amount reimbursed for the travel award expenses will be $740. [$1,850 divided by 5 days = $370 per day. $370 x 2 days = $740.] Travel award recipients who attend/participate in the meeting for the full length of the meeting, will be reimbursed up to the maximum amount allowed for the travel award (e.g., $1,850).

3. **MEETING DATES COVERED/ALLOWED:** FASEB MARC Program Travel Award will reimburse eligible travel-related expenses for one day pre-meeting and one day post-meeting (example: If the official meeting dates are July 7 - 11; then eligible expenses between July 6 - 12 will be considered for reimbursement only if they are a FASEB MARC Program allowable expense, and do not exceed the maximum travel award amount.) Pro-rated travel award reimbursement will be applied to reimbursement requests which reflect a shorter length-of-stay at the meeting.

4. **TRAVEL EXPENSE VOUCHER:** A travel expense voucher must be completed for each participant even if traveling in a group, or if someone else pays the expenses. This travel award only covers your expenses related to your participation in the selected meeting or conference. Expenses of family members or other parties are not included, nor eligible for reimbursement. **Travel expense voucher must be submitted to the FASEB MARC Office within 30 calendar days from the last day of travel.**

5. **MEETING EXPERIENCE SUMMARY STATEMENT:** Your **Summary Statement** of your meeting experience must be entered in the space provided on the meeting evaluation form which you will receive from **SurveyMonkey.com** when you return from the meeting. Failure to enter this required documentation into the evaluation form will result in a delay in processing and issuing your reimbursement check. We will not process your request until all required documentation and receipts have been provided.

6. **MEAL EXPENSES/PER DIEM:** **NOTE:** Do **NOT** submit meal receipts with your Travel Expense Report. Expenses for meals will be reimbursed at the current per diem rate of $66.00 for each calendar day you are on authorized travel status except the first and last days of travel. On the first day and last travel day, you are eligible for 75 percent ($49.50) of the per diem rate ($66.00).

Any meals provided by FASEB and/or other sponsoring societies (e.g., meals provided in conjunction with a meeting) must be deducted from your daily per diem allowance of $66.00 (breakfast - $12.00; lunch - $18.00; dinner - $36.00.) **NOTE:** Meals provided during the meeting will automatically be deducted from the daily per diem rate. We will not provide any meal reimbursements for Travel Expense Reports which do not officially include a request for reimbursement using the “per diem rate”. Actual meal receipts submitted with the Travel Expense Report will not be reimbursed and will be shredded.

7. **ROOM/TAX, LODGING EXPENSES:** The FASEB MARC Program Office will only reimburse room and tax expenses identified on your hotel/lodging receipt. Lodging expenses will be reimbursed at the single occupancy room rate at designated meeting hotels. If a traveler elects to stay at a hotel that is not a designated meeting hotel, reimbursement will be at rates no greater than the comparable rates of designated meeting hotels.

8. **ROOM-SHARE LODGING EXPENSES:** If you choose to room-share and split lodging expenses with anyone, it must be clearly identified in your documentation. **NOTE:** Please verify the number of guests registered to your

The traveler will be reimbursed for ground transportation to and from the airport and their home, and to and from the airport and their hotel on the actual days for arrivals and departures. Other transportation expenses incurred during the meeting are not reimbursed. Limousine and town car expenses will not be reimbursed.

Round-trip airfare will be reimbursed at the lowest possible excursion rate (economy class) and must be at least a 21-day advance purchase, or equivalent. Limits for airfare are based on the circumstances of the travel and economy class/standard fares offered at the time of travel. Upgrades will not be reimbursed and are at the discretion and expense of the traveler. Expenses associated with administrative fees related to changing travel arrangements after the initial reservations have been made will not be reimbursed. Administrative fees related to excess weight for baggage or extra baggage over 1 carry-on bag and 1 checked bag are not eligible for reimbursement by the FASEB MARC Program Office. Airline tickets purchased for travel dates that exceed the approved travel award dates (one date prior to or one date after the official meeting dates) will not be reimbursed. We do not pro-rate airfare. Any exceptions must be approved in writing by FASEB MARC Program Office personnel in advance of purchase.

15. PERSONAL VEHICLES POLICY: Use of personal vehicle must get pre-authorized in writing by FASEB MARC Program Office personnel. The total mileage cost to drive to/from the meeting location must be less than the cost of round-trip economy airfare to/from the same destinations. It is at the discretion of the FASEB MARC Program Office to approve or deny your request. In addition, if approval for use of personal vehicle is granted, the mileage reimbursement is the current mileage rate per the IRS per mile (includes gasoline and oil), but does not include tolls or parking.
