Federal Research Funding
FY 2016 District Information

Indiana’s 3rd District

National Institutes of Health
NIH is the nation’s primary medical research agency. More than 80% of NIH funding is distributed through approximately 50,000 competitive grants to 300,000 researchers at 2,500 universities and other institutions throughout the U.S.

Data source: report.nih.gov/

In this district, NIH awarded $147,170 to 1 institution.

U.S. Department of Agriculture
The USDA National Institute of Food and Agriculture (NIFA) supports research in the nutrition and agricultural sciences at laboratories, farms, and communities that can be rapidly transformed into practical solutions.

Data source: reeis.usda.gov/

In this district, NIFA awarded $99,961 to 1 institution.
