In the event the conference is cancelled, the full registration fee will be returned to each registrant. Travel or housing reservation cancellations are the responsibility of the attendee.

Upon registering for a conference and submitting payment, the credit card will be charged the full conference fee immediately after payment is submitted. Once the credit card is successfully processed, a confirmation email, receipt of payment, and Visa letter (if applicable), will be sent to the email address entered at the time of registration.

Drinking Policy
Alcoholic beverages may be offered at selected conference activities. FASEB and the conference venue encourage responsible drinking. Alcohol will only be served to those over the age of 21 and some participants may be required to provide photo identification. Publication/Confidential Material Dissemination Policy
Written approval is required from the author, and FASEB to quote, or publish any scientific works presented at the conference. FASEB SRCs encourage scientists to discuss and share new discoveries and unpublished research during each conference. To maintain privacy, all participants agree not to release other participants’ research material or data that is proprietary, copyrighted, unpublished, or otherwise not available in the public domain to anyone that did not participate in the conference. FASEB staff will take reasonable steps to enforce the restrictions against recording and photographing conference presentations; each conference attendee assumes sole responsibility for the protection and preservation of any intellectual property rights from their scientific work.
Personal Information and Data
Registration information will be part of a database that is accessible only to FASEB employees and conference organizers. FASEB SRCs use your contact information to provide you with up-to-date information about current conferences as well as future SRCs. A participant list is available online to registered conference participants that includes your name, and institution/company.

Your name, email address, (lodging type and roommate, if applicable), and conference you registered to attend are shared with hotels, for Nova Scotia conferences only. If you stated special accommodation needs during registration, that information will be sent to the hotel if applicable. A survey company receives your name, email address, and conference you registered to attend so participants can receive an online evaluation form. For those participants that are reimbursed for their participation at the conference, contact information is sent to our internal FASEB accounting database, and any bank or wire transfer institution that accounting uses in order to facilitate the payment. If participants request information from a FASEB member or non-member society, or another FASEB department, via the FASEB SRC department, contact information will be shared to facilitate the request. FASEB SRC does not sell your contact information to third parties.
