| Reports to (title)     | Marketing and Communications Director |  |
| Department             | Marketing and Communications          |  |
| Date                   | August 16, 2018                       |  |

#### 2. Primary Function

Have strong digital skills? Want to advocate for science? The Federation of American Societies for Experimental Biology (FASEB) is hiring a Digital Communications Manager at its Bethesda headquarters. This position is high impact and high visibility, and an opportunity to deploy your digital talents on behalf of thousands of scientists that FASEB represents.

Known as the policy voice for biological and biomedical sciences, the Federation's member are 30 scientific societies across a range of disciplines. FASEB also sponsors the Science Research Conferences (SRC) series and publishes The FASEB Journal.

You'll manage FASEB's social media presence and collaborate with the Marketing and Communications team on a range of digital projects. We seek a flexible multi-tasker with a "can do" attitude, along with strong interpersonal and client service skills. Portfolio includes:

- Social media strategy
- Integrated digital marketing and communications
- Web and email content development
- Graphic design
- Blogs and Google Analytics
- Writing and editing

| 3. Major Duties and Responsibilities |  |                    |
