- Coordinates production of the quarterly magazine, *The Pharmacologist*.
- Works closely with *The Pharmacologist* production team to develop and write content, edits and proofreads articles, reports, publications, advertising, and other materials for content clarity, accuracy, consistency of message, presentation, and style.
- Maintains production calendars and ensures that production is kept on a tight schedule.

- Collects graphics and permissions for feature articles and other content.
- Works closely with graphic design vendor to ensure proper layout and quality of publication and coordinates all communications with graphic designer.
- Creates e-flip version of *The Pharmacologist*.
- Maintains official archive of *The Pharmacologist*.
- Creates email blasts for *The Pharmacologist* issue announcement to members.
- Creates marketing ads, social media posts, and web content for each issue of *The Pharmacologist*.

NewsBrief Email Newsletter:

- Manages the monthly email newsletter, *ASPET NewsBrief*, including production of each issue, to assist member's education and knowledge.
- Creates and implements production timelines.
- Coordinates with key staff members to collect content and ensures that copy is accurate.
- Writes, edits, and proofs copy, articles, associated web pages and other materials for content clarity, accuracy, consistency of message, presentation, and style.
- Designs and lays out the email newsletter using an email template to deliver a quality e-newsletter to members.
- Regularly reviews the NewsBrief production process, content, design, and layout and makes suggestions for improvement.
- Tracks and analyzes open rates and e-newsletter metrics, and provides monthly reports.

Email Marketing:

- Works with Director of Marketing, other key staff members, and society leaders to create and design emails related to all society activities and programs.
- Maintains internal communications calendar.
- Tracks and analyzes open rates and other email metrics to inform more effective marketing.
- Strategizes with Marketing team on email marketing campaigns and testing.

Online Community:

- Works closely with Director of Marketing in planning for and implementing an online community engagement platform.
- Supports all online community efforts, including but not limited to, research, training, testing, and community management.

Other Marketing:

- Works with Director of Marketing to implement marketing campaigns for all society programs and initiatives.

- Contributes and assists with the coordination of the overall marketing and communications plan, including working with all ASPET staff to communicate activities and opportunities to members and stakeholders.
- Maintains image and photography library for marketing and communications use for web and print.
- Participates in marketing team meetings to discuss, strategize and create marketing communications plans and improvements.
- Assists Webmaster with web updates, content creation, and copyediting.
- Assists with the creation of ads, flyers, brochures, and other marketing collateral.
- Travels to Annual Meeting and other meetings as needed to market society activities.
- Assists Director of Marketing with exhibits, packing, and other booth activities.
- Assists Director of Marketing and/or advertising agency with advertising sales and sponsorships
- Other duties as assigned.

Skills and Qualifications:

- 5+ years of progressive experience in marketing and communications. Experience developing, managing, and implementing effective online and electronic marketing communications, preferably in the non-profit sector and/or a medical/scientific association.
- College courses with relevant work experience required. Bachelor's degree in a related marketing or communications field preferred.
- Expert knowledge of Facebook, LinkedIn, Twitter and other forms of social media, including Facebook Insights, Hootsuite, and other analytical tools.
- Expert knowledge in managing the production of newsletters/magazines.
- Knowledge in online communities, such as Higher Logic
- Proficiency with InDesign, Photoshop, and MS Office suite.
- Must be initiative driven and able to seek out new content, strategies, and projects to enhance the overall brand and marketing objectives of the organization.
- Must have the initiative to prioritize, manage, and coordinate many assignments with tight timelines and budgets.
- Must have written and oral communication, proof-reading, and editing skills. Must have strong attention to detail.
- Must have the ability to create content for social media, and to think creatively and strategically.
- Must have the ability to communicate with staff, vendors, and members.
- Must have excellent organization and project management skills.
- Must be able to work as part of a team.
- Experience with Sitefinity or other Content Management Systems a plus.
- Non-profit experience is a plus.
- Scientific background is a plus.
- Some travel will be required.

Benefits:

This position offers a competitive salary with exceptional benefits that include a 403(b)-retirement plan; paid time off; medical, dental and vision insurance plans; flexible spending account; life and short- and long-term disability insurance.

Location:
