

National Institutes of Health

State Funding Facts for FY 2015

The National Institutes of Health (NIH) is the nation's primary medical research agency, supporting research efforts in all 50 states and the District of Columbia. Its **mission** is to seek fundamental knowledge about the nature and behavior of living systems and the application of that knowledge to enhance health, lengthen life, and reduce the burdens of illness and disability.

CALIFORNIA BY THE NUMBERS¹

\$3.554 billion in NIH funding
385 NIH-funded institutions
7765 NIH grants awarded
44 Congressional districts with
 NIH grants

NIH Funding of Select California Institutions

| Institution | Total Funding |
|---|-----------------|
| University of California (Berkeley; Davis; Irvine; Los Angeles; Merced; Riverside; San Diego; San Francisco; Santa Barbara; Santa Cruz) | \$1,818,107,307 |
| Stanford University | \$422,753,698 |
| University of Southern California | \$197,207,432 |
| Scripps Research Institute | \$170,175,310 |
| California Institute of Technology | \$55,341,082 |
| Sanford-Burnham Prebys Medical Discovery Inst. | \$48,784,151 |
| Kaiser Foundation Research Institute | \$48,084,944 |
| Beckman Research Institute of City of Hope | \$44,016,440 |
| Cedars-Sinai Medical Center | \$41,464,366 |

NIH Funding Improves Health in California

10 NCI-designated cancer centers are located in California.

1843 NIH-supported clinical trials were initiated at California institutions in FY 2015.²

INVESTMENT IN NIH RESEARCH BENEFITS THE CALIFORNIA ECONOMY

- California institutions received \$118 million in NIH grants in FY 2015 to train the next generation of innovative scientists.¹
- A total of 270 California businesses received NIH funding totaling \$220 million for the research and development of technologies with potential commercial applications.¹
- In 2012, California was home to 8,019 bioscience business establishments. Residents held 235,864 bioscience industry jobs, and the average annual wage in the bioscience sector was \$51,090 higher than the private sector overall.³
