NSF supports research in science, mathematics, and engineering; integration of knowledge across these fields; and development of the nation’s STEM workforce. In this way, NSF promotes the nation’s health, economy, security, and global leadership.

### NSF Funding in Kansas

- **$46.2M** total funding
- **122** grants & contracts

### Top NSF-Supported Sites

- University of Kansas
- Kansas State University
- Fort Hays State University
- Manhattan Area Technical College
- Johnson County Community College
- Pittsburg State University
- Wichita State University

### EPSCoR in Kansas

- **5** Major Research Instrumentation Grants (MRI)
- **1** INCLUDES Grant to broaden STEM participation
- **7** Research Infrastructure Improvement Grants
- **42** Co-Funded Research Grants

### Scientific Research in Kansas

- **23** NSF Graduate Research Fellowship Program awards offered in FY 2017-18 to students who completed their bachelors in Kansas
- **400** Science and engineering doctoral degrees awarded in Kansas in 2016 (Survey of Earned Doctorates, NCSES)
- **$1.40M** Awarded to three Kansas businesses in FY 2017-18 through the NSF “America’s Seed Fund” program for R&D of technologies with potential commercial application
- **$2.79B** Total science and engineering R&D expenditures in Kansas across all sectors—industry, biotech, academia, and government—in 2016 (National Patterns of R&D Resources, NCSES)
