**TOP NSF-Supported Sites**

- University of Maryland, College Park
- Johns Hopkins University
- University of Maryland, Baltimore County
- University of Maryland Center for Environmental Sciences
- National Security Agency
- National Institute of Standards and Technology (NIST)
- Morgan State University
- Towson University
- National Oceanic and Atmospheric Administration (NOAA)
- University of Maryland Eastern Shore

**Scientific Research in Maryland**

- NSF Graduate Research Fellowship Program awards offered in FY 2018-19 to students who completed their bachelors in Maryland
- Science and engineering doctoral degrees awarded in Maryland in 2018 (Survey of Earned Doctorates, NCSES)
- Awarded to 21 Maryland businesses in FY 2017-18 through the NSF “America’s Seed Fund” program for R&D of technologies with potential commercial application
- Total science and engineering R&D expenditures in Maryland across all sectors—industry, biotech, academia, and government—in 2017 (National Patterns of R&D Resources, NCSES)
